Competitions & Activities

DOST - Pitching Competition 2025**October 27-29, 2025****Bacolod City, Negros Occidental**

Siquijor State College proudly marked a major achievement at the **HANDA Pilipinas Visayas Exposition 2025**, hosted in Bacolod City on October 27-29 2025, after its student team emerged as a **Regional Finalist** in the **DRRM Idea Pitching Competition**. Kudos to the SSC Team for shining on the regional stage!

iHub Launching Event - DOST**June 25, 2025****DOST iHub, Siquijor**

Thrilled to be part of the iHub Launching at DOST Siquijor, where we proudly unveil our startup concept TravelSikyu—a vision shaped for the future of smart travel.

PSA - 34th National Statistics Month**October 24, 2023****Inter-Collegiate Competition**

Held at Cebu Normal University - Siquijor State College bagged **GOLD, SILVER, and BRONZE** awards during the 34th National Statistics Month Inter-Collegiate Competition.

Education

Bachelor of Science in Information Technology**2022-2026****Siquijor State College**

I am a fourth-year Bachelor of Science in Information Technology (BSIT) student at Siquijor State College. Throughout my four years of study, I have developed a foundational understanding of programming, web development, and database management through coursework and a limited number of academic projects. These experiences have helped me strengthen my problem-solving skills and gain practical exposure to information technology concepts.

Information and Communication Technology**2020-2022****Banban National High School**

In senior high school, I took the ICT strand where I gained hands-on experience in Windows installation, basic networking, and printer setup. These skills are part of the NCII competencies for ICT, which provided me with a practical foundation in computer systems and troubleshooting.
