**Skills:** I am a skilled Graphic Designer and aspiring Web Developer with experience in layout design, branding, and video editing. I am proficient in HTML, CSS, and UI/UX design, and have a solid foundation in programming languages such as Java, PHP, and JavaScript. My passion for creative digital work has led me to participate in several design competitions, including the PSA Infographics Contest held at Cebu Normal University (CNU) and the COT Week Design Contest, where I placed 2nd. Recently, on June 25, I represented Siquijor State College (SSC) as a UI Designer during the DOST iHub Launching event, which further enhanced my skills in designing user-centered interfaces. These experiences have strengthened both my technical expertise and creativity in delivering engaging and impactful visual content.

*I certify that the above information is true and correct to the best of my knowledge and belief. I also understand that any misinterpretation will be considered a reason for withdrawing an offer or subsequent dismissal if employed.*
